

Scholarship Renewal Process

Students who have received an initial scholarship are eligible to renew the scholarship for three (3) additional consecutive years. The Fund will award an additional \$1,000 annually not to exceed a total award of \$4,000 over a consecutive four year period. The scholarship recipient must contact The Ashley Tamburri Scholarship by submitting a Scholarship Renewal application between January 1st and March 31st of each academic year.

The Fund will notify the student on or before April 30th of that academic year that the request for renewal will be granted. At that time the student will be required to submit requested documentation prior to the award being given. As with the initial award, all scholarships are paid directly to the college or university and are to be utilized for tuition.

Once the Renewal application has been approved, the applicant must submit a tuition invoice reflecting a balance due (the balance due should be a minimum of \$1,000 – otherwise, the award will be equal to the amount due not to exceed \$1,000).
